2. The tender should be in the prescribed form which can be obtained from the officer mentioned in the tender notification on payment of the price noted therein. Duplicate copies of tender form will also be issued at the rate specified therein. The cost of tender forms once paid will not be refunded. Tenders which are not in the prescribed form are liable to be rejected. The rates quoted should be only in Indian currency. Tenders in any other currency are liable to rejection.
3. Intending Tenderers should send their tenders so as to reach the officer mentioned in the tender notification, on due date and time noted therein. No tender received after the specified date and time will be accepted on any account. The rates will be considered firm for acceptance till the date mentioned therein. Tenders not stipulating period of firmness and tenders with price variation clause and/or 'subject to prior sale' condition are liable to be rejected.
4. a) Every Tenderer who has not registered his name with the State Government (Stores Purchase Department), should send along with his tender, an earnest money of one percent of the total cost of the articles tendered for (rounded to the nearest rupee) subject to a minimum of Rs.30/-. The amount may be paid either by remittance into any Government Treasury in Chalan in duplicate duly counter signed by the officer mentioned below, or by Demand Drafts (crossed) on the local branch of State Bank of Travancore/ State Bank of India drawn in favour of the Director, International Research and Training Centre for Below Sea Level Farming, Thottappally. Cheques will not be accepted. The earnest money of unsuccessful Tenderers will be returned as soon as possible after the tenders are settled; but that of the successful Tenderers will be adjusted towards the security that will have to be deposited for the satisfactory fulfillment of the contract. No interest will be paid for the earnest money deposited.

b) Tenderers whose names are registered with Government (Stores Purchase Department) are generally exempted from furnishing earnest money for such articles for which they have registered their names. If they tender for stores other than those for which they have registered their names, they will have to furnish earnest money as in the case of unregistered firms. Registered firms will have to quote invariably in every tender they submit, the registration number assigned to them by the Stores Purchase Department. Attested copy of registration certificate may be enclosed with the tender for reference.

c) Small Scale Industries and Cottage Industries within the Kerala state, which are certified as such by the Director of Industries and Commerce or by the Regional Joint Director of Industries and Commerce will be exempted from furnishing earnest money against tenders and security deposit against contracts for

Director of Industries and Commerce or by the Regional Joint Director of Industries and Commerce.

d) The exemption stipulated in Clauses (b) and (c) above will not however, apply to tenders for the supply of raw materials, or dietary articles and supply of stores or rate on running contract basis.

5. The tenders will be opened on the appointed day and time in the office of the purchasing officer, in the presence of such of those Tenderers or their nominees who may be present at that time.

6. If any Tenderer withdraws from his tender before the expiry of the period fixed for keeping the rates firm for acceptance, the earnest money, if any deposited by him will be forfeited to International Research and Training Centre for Below Sea Level Farming or such action taken against him as the Institute think fit.

7. Tenderers shall invariably specify in their tenders the delivery conditions including the time required for the supply of articles tendered for.

8. a) The Tenderers shall clearly specify whether the articles offered bear Indian Standards Institution Certification Mark or not. In such cases, they shall produce copies of certification marks along with their tender in support of it.

b) Tenderers shall clearly specify whether the goods are offered from indigenous sources, from imported stocks in India or from foreign sources to be imported under a license. The Institute reserve the right to reject offers for import of goods if the Import Trade Control Policy in force at the time of award of the contract prohibits or restricts such imports.

9. The final acceptance of the tenders rests entirely with the Institute who do not bind themselves to accept the lowest or any tender. But the Tenderers on their part should be prepared to carry out such portion of the supplies included in their tender as may be allotted to them.

10. In the case of materials of technical nature, the successful Tenderer should be prepared to guarantee satisfactory performance for a definite period under a definite penalty.

11. Communication of acceptance of the tender normally constitutes a concluded contract. Nevertheless the successful Tenderer shall also execute an agreement for the due fulfillment of the contract within the period specified in the letter of acceptance. The contractor shall have to pay all stamp duty/lawyer's charges and other expenses incidental to the execution of the agreement. Failure to execute the agreement within the period specified will entail the penalties set out in Para 12 below.

12. a) The successful Tenderer shall, before signing the agreement, and within the period specified in the letter of acceptance of this tender, deposit a sum equivalent to 5 per cent of the value of the contract as security for the satisfactory fulfillment of the contract less the amount of money deposited by him along with his tender. The

amount of security may be deposited in the manner prescribed in Clause 4 supra or in fixed Deposit Receipt of State Bank of Travancore/State Bank of India, endorsed in favour of the purchasing officer. Letter of guarantee in the prescribed form for the amount of security from an approved Bank will also be considered enough at the discretion of the Institute. If the successful Tenderer fails to deposit the security and execute the agreement as stated above, the earnest money deposited by him will be forfeited to the Institute, and the contract arranged elsewhere at the defaulter's risk and any loss incurred by the Institute on account of the purchase will be recovered from the defaulter who will, however not be entitled to any gain accruing thereby. If the defaulting firm is a registered firm, their registration is liable to be cancelled.

b) In cases where a successful Tenderer, after having made partial supplies, fails to fulfill the contracts in full, all or any of the materials not supplied may at the discretion of the Purchasing Officer, be purchased by means of another tender/quotation or by negotiation or from the next higher Tenderer who had offered to supply already and the loss, if any, caused to the Institute shall thereby, together with such sums as may be fixed by the Institute towards damages, be recovered from the defaulting Tenderer.

c) Even in cases where no alternate purchases are arranged for the materials not supplied, the proportionate portion of the security deposit based on the cost of the materials not supplied at the rate shown in the tender of the defaulter shall be forfeited and balance alone shall be refunded.

d) If the contractor fails to deliver all or any of the stores or perform the service within the time/period specified in the contract, the purchaser shall without prejudice to its other remedies under the contract, deduct from the contract price as liquidated damages, a sum equivalent to 0.5% or 1% of the delivered price of the delayed stores or unperformed services for each week of delay until actual delivery or performance, up to a maximum deduction of 10% of the contract prices of the delayed stores or services. Once the maximum is reached, the purchaser may consider termination of the contract at the risk and cost of the contractor.

13. The security deposit shall, subject to the conditions specified herein, be returned to the contractor within three months after the expiration of the contract, but in the event of any dispute arising between the Institute and the contractor, the Institute shall be entitled to deduct out of the deposit or the balance thereof, until such dispute is determined, the amount of such damages, costs, charges and expenses as may be claimed. The same may also be deducted from any other sum which may be due to any time from the Institute to the contractor. In all cases where there are guarantee for the goods supplied, the security deposit will be released only after the expiry of the guarantee period.

14. a) All payments to the contractor will be made by the Purchasing Officer in due course:-

Bank charges incurred in connection with payment against documents through Bank will be to the account of the contractor. The firms shall produce stamped pre-receipted invoices in all cases where payments (advance/final) for release of railway receipts/shipping documents are made through banks. In exceptional cases where the stamped receipts of the firms are not received for the payments (in advance), the unstamped receipt of the bank (i.e. counterfoils of pay-in-slips issued by the Bank) alone may be accepted as a valid proof for the payment made.

17. The contractor shall not assign or make over the contract or the benefits or burdens thereof to any other person or body corporate. The contractor shall not underlet or sublet to any person or persons or body corporate the execution of the contract or any part thereof without the consent in writing of the Purchasing Officer who shall have absolute power to refuse such consent or to rescind such content (if given) at any time if he is not satisfied with the manner in which the contract is being executed and no allowance or compensation shall be made to the contractor or the sub-contractor upon such decision. Provided always that if such consent be given at any time, the contractor shall not be relieved from any obligation, duty or responsibility under this contract.

But such determination of the contract shall be without any prejudice to any right or remedy of the Institute against the contractor or his sureties in respect of any breach of contract therefore committed by the contractor.
